A little school with big ideas

Issue No 11 Friday 13th May 2022

Message from our Executive Principal

Dear Parent/Guardian

It hardly seems possible that we are now in the final term for this academic year, as it feels like we were just welcoming the children back in September.

I am **really pleased** with how hard all the children are working. Those in **Year 6** have been **brilliant** this week, sitting their **first set** of formal exams, as they completed their **SATS**.

Year 2 will sit their **Key Stage 1 Assessments** during the week of **13th May**. Children in **Year 1** will do their **Phonics** in June, along with those in **Year 4** completing the online Timestable Challenge set by the DfE.

I want to stress that we **do not** want any of the children becoming anxious or distressed by assessments, so we have tried to make them part of the everyday **routine** and made them as **fun** as we can. We want them to try their best and that is all we ask. I know that children in **Year 2** and **Year 6** have really liked the **after school** sessions and enjoyed working with Miss Aktar and Miss Hinson further.

Jubilee Celebration

We would like to invite you, as parents/guardians, to join us at the school on **Thursday 26th May at 2.00pm** for our **Platinum Jubilee Celebrations**.

The children will be taking part in a Jubilee Performance, after which there will be plenty of time for you and them to relax in the school grounds (good weather permitting) giving you the opportunity to meet and chat with other parents/guardians. We hope to have an **ice cream van** on site and soft drinks to buy, with the event finishing at approximately **3.20pm.**

New Building

I am really **pleased** to tell you that pupil numbers at **Moggerhanger Primary School** have grown considerably over the last few years and we are rapidly becoming the school of choice in the area. Indeed, we now have a waiting list for most year groups.

Due to our growth, we have been able to persuade **Central Bedfordshire Council** that we need an **additional classroom.** They have agreed to this and work will begin in the second half of the summer term ready to open for the new academic year in September.

We are, therefore, also looking to **re-develop** the **playground area** over the next year and re-locate **Pre-School's** current outdoor space. This growth is a real testament to the **care and compassion** that the **staff** have for the children and the fact they go above and beyond every day to give them a full and **enriching** learning experience, so they develop fully both **academically** and **socially**.

It has been amazing to watch the children grow and become so much more confident and I am now very **fortunate** to be able to see that through to the end of secondary school and into sixth form.

Transition

We are going to hold our **Shuffle Up Morning** on **Tuesday 21st June** for all children. All year groups will, where necessary, move up to their new class and meet their new teacher.

We are also inviting in our new Reception and Pre-School children in on this day.

Those children in **Year 6** who are moving up to Sandy Secondary School will be having two transition days in June.

The Moggy Messenger

A little school with big ideas

Issue No 11 Friday 13th May 2022

A separate letter regarding this will be coming out from the secondary school in the next week.

We would like to offer all parents/ guardians the opportunity to come into the school on **Tuesday 21st June** from **4.00pm - 5.00pm** for an informal **Meet the Teacher event**.

This is an ideal **opportunity** to see where your child may be learning in September, ask any **questions** you may have about transition, talk to the staff and share any **concerns** you may have that we need to be aware of.

Teaching Staff for September 2022:

Pre-School:	**Mrs Smith**
Reception:	**Miss Cunningham**
Years 1/2:	**Miss Aktar**
Years 3/4:	**Mrs Kellow 3 days a week** **Mrs Frame 2 days a week**
Year 5/6:	**Miss Hinson**

We will send out a detailed transition pack in the next week.

Children's Successes

Please can I remind you to keep sending in your child's successes out of school—we love to hear all about what they have been doing.

Swimming

It has been great to see the children in **Years 3 to 6** going swimming again this year and I would like to **thank** the **office staff** for arranging this.

I know that it was not easy to arrange, but it has been great to be able to add a new activity to our day and the children and staff look forward to doing this every year.

School Team

I would like to thank our **wonderful team** of staff, here at the school. They always go **above and beyond** every day and this has been shown through their **support** of each other and to the children over what has been a really difficult year.

The team have never been defeated and always tried to find ways around any issues to ensure the children have the **best experience** of school as possible. The staff are amazing - so **thank you.**

Have a good weekend.

Miss K Hayward
Executive Principal

Information from our local Children's Centre

Speech & Language drop ins

Lisa Mitchell attends Sandy Children's Centre & Biggleswade Youth Centre once a month to meet with families where speech and language may be a concern. Parents can contact Lisa for more information by emailing lisa.mitchell26@nhs.net to book an appointment at one of the sessions.

Parent Puzzle

This year we are running both 4 and 10 week Parent Puzzle courses. This will be aimed for families who have children aged between 3 – 5 years. This is a nurturing parenting course where positive parenting strategies are given to improve family life. If parents are interested and would like to book a place or would like more information, please contact Claire.Racher@centralbedfordshire.gov.uk or phone 0300 300 8114.

Time for Two's

For families who have a 2 year old, we run 5 week sessions for play, have fun and to get ready for Pre-school. For more information and to book a place, contact Karen.Burton@centralbedfordshire.gov.uk

The Moggy Messenger

A little school with big ideas

Issue No 11 Friday 13th May 2022

General Notices

We would like to remind you that **earrings** are not part of our uniform policy, and we ask that children do not wear them, for safety reasons. Children are able to wear a watch, if they would like.

Forest School is now weekly on a **Thursday** for **Chicks**, **Robins** and **Woodpeckers**, with **Kites** and **Owls** on a **Friday**. Please provide wellies and waterproofs to go over their uniform.

We have noticed a few children on their **bikes and scooters** riding around the front entrance, near parked staff cars and down the path leading to the front sheds. Could we please ask parents/guardians to make sure children **avoid that area** for their safety and to make sure no accidents happen.

Learning to play a Musical Instrument

If your child would like to learn to sing or play a musical instrument, one place to start is with Central Bedfordshire's Inspiring Music Centres. Please go to www.inspiringmusic.co.uk/lessons-schools/overview to see all they have to offer.

Owls Class

We have been so impressed by the children's behaviour, attitude and independence during the swimming lessons this half term. The children are enjoying it so much and have already shown a great leap in their confidence and skill.

Kites Class

Kites class have been learning about Ancient Greece in our history lessons, and last lesson we learned about Ancient Greek warfare. We pretended to be Greek Hoplite soldiers and marched in a phalanx formation, miming holding doru spears and hoplon shields.

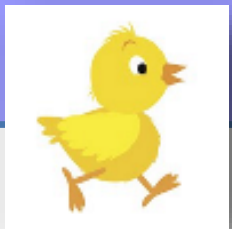
Issue No 11 Friday 13th May 2022



Chicks and Robins Class

The children have been learning about the history of May Day and designing and creating their own maypole to dance around! Not only was this a fun activity for children and staff, it was so rich in learning.

Working as part of a group, taking turns, waiting, learning the meaning of new words, paying attention, listening and understanding instructions, gross motor movements, running, skipping and fine motor pinching of the colourful ribbons were just a few of the activities. They had SO much maths, counting and patterns, with the length of the ribbons getting shorter and longer again. Learning the history of the Maypole, celebrations, seasons, dancing and helped the children express themselves to the music and colour.

Issue No 11 Friday 13th May 2022

The **SNAP Parent Carer Forum** (SNAP PCF) have compiled a survey to understand more about the experiences of **SEND families** in 2021, to help inform and improve local services. It provides an opportunity for families to feedback on what can be improved, as well as their positive experiences.

SNAP PCF is an independent forum of parents and carers of **SEND children** in Central Bedfordshire and feedback will be shared with Central Bedfordshire Council, The Bedfordshire Clinical Commissioning Group, Bedfordshire Community Health Services and CAMH/CHUMS, as well as SNAP members.

Parents and carers can access the survey here, or by visiting www.snappcf.org.uk. Responses will be processed confidentially and only group data will be made available. Further information about SNAP PCF is available at www.snappcf.org.uk.

Thank you.

Special Achievements Page

Well done to Adrian for a 8-2 win to Sandy Tigers. Adrian scored a hat trick and got Man of the Match !

Here's a group of Moggerhanger children singing the National Anthem at the raising of the union flag at the village hall earlier this month, during an afternoon tea event. This marked the start of Jubilee celebrations in the village.

If you child has any special achievements you would like us to mention on this page please email the school office

office@moggerhangerprimary.co.uk

Thank you!

Issue No 11 Friday 13th May 2022

We have launched an engine idling survey to gather a better understanding of whether residents feel there are problems with vehicles leaving their engines running when stationary in Central Bedfordshire and the impact this has on individuals and the environment.

We have recently adopted some legislation which allows us to take enforcement action if drivers leave their engines idling when they are stationary. The law requires us to take a measured approach to any action we take. This means we need to make it clear when, where and why it is a problem.

We'd like to hear your views about if there are any problems in your local area, so we can decide how we use this legislation effectively.

The survey takes just a few minutes to complete and closes on the 30 April 2022.

To take part visit https://bit.ly/2U3iSlr.

Issue No 11 Friday 13th May 2022

E-mail: bmso.publichealth@bedford.gov.uk

Date: 10th March 2022

Dear Education and Early Years Leaders

Update to local public health advice:

Face coverings are no longer recommended in communal areas or on school transport

Following a review of the local epidemiology I am no longer advising staff and pupils (year 7 and above) in education and early years settings to wear face coverings in communal areas or on school transport.

The rates of infection in children and young people are now significantly lower than during the first half of this term and are similar to those in adults. Central Bedfordshire is no longer a national outlier.

However, the overall levels of infection in the community do remain high, and we may already be seeing the first signs of an increase in infections in children and young people. For this reason, I will keep my advice to early years and education settings under review.

There will continue to be specific circumstances where it is appropriate for pupils (year 7 and above) and staff members to wear face coverings. This should be informed by your risk assessments and outbreak management plans, but could include the following:

- If you are experiencing a level of staff or pupil absence due to COVID-19 that is causing operational disruption, then in consultation with the local public health team, you may decide to re-introduce face coverings for a temporary period.
- If staff members are meeting in crowded, enclosed, or poorly ventilated spaces.
- If staff are providing hands-on care to a clinically vulnerable pupil.
- On SEND transport.

Anyone who chooses to wear a mask should be supported to do so.

Central Bedfordshire Council
Priory House, Monks Walk
Chicksands, Shefford
Bedfordshire, SG17 5TQ

Telephone 0300 300 8000
Email customers@centralbedfordshire.gov.uk
www.centralbedfordshire.gov.uk

Central Bedfordshire

Actions you can take:

COVID-19 has not gone away, and there are still important actions you can take to minimise the disruption to your setting:

- Require staff and pupils who have COVID-19 symptoms or who test positive to stay at home and follow the latest guidance. You may wish to include this in your setting's absence policy.
- Support staff and eligible pupils to get vaccinated. 5- to 11-year-olds who are in a clinical risk group or who live with someone who is immunosuppressed are now eligible for vaccination. Families of eligible 5- to 11-year-olds should be contacted by the NHS, but if someone feels their child is eligible and they have not been invited they can contact blmkccg.covid.vaccinationsspoc@nhs.net
- Optimise ventilation in classrooms and heavily occupied spaces and take action to improve ventilation where appropriate.
- Encourage children and young people and staff to wash their hands regularly with soap or hand sanitiser.

Thank you once again for all you are doing to prioritise the education, safety and wellbeing of our children and young people.

Yours faithfully

Vicky Head

Sandy Secondary School

With all the different ways to access health services, it can be confusing to know the best place to go.

Our guide can help you make the right choice.

SELF-CARE

You can treat most minor illnesses and injuries at home.

Keep your medicine cabinet well-stocked with essentials like pain killers, antihistamine, cold and flu remedies, anti-diarrhoea and indigestion medicine. If you have children, make sure you've got the right medicines according to their age.

THE NHS APP

If you have a smart phone or tablet, the NHS app is a secure way to access a range of NHS services.

To use the app, you must be registered with a GP surgery in England and aged 13 or over. There are many things you can do on the app including:

- Use the NHS symptom checker
- Order your repeat prescriptions
- Get health advice
- See your test results and access other information on your health record
- See your NHS COVID vaccination status.

More information is available at **www.nhs.uk/nhs-app**

The Moggy Messenger

Issue No 11 Friday 13th May 2022

NHS ONLINE – www.nhs.uk

The NHS website **www.nhs.uk** provides lots of information to help you manage your health and wellbeing. This includes:

A to Z guide to Health	A guide to health conditions, symptoms and treatments, including what to do and when to get help.
A to Z guide to Medicines	Find out how your medicine works, how and when to take it, possible side effects and answers to your common questions.
NHS Services	Find your nearest NHS services, including pharmacies, GPs, dentists and A&E and how to use their services.
Living Well advice	Advice, tips and tools to help you make the best choices about your health and wellbeing.
Social care and support guide	If you or someone you know needs help with day-to-day living because of illness or disability, the website explains your options and where you can get support.
Pregnancy	A guide which includes information about trying for a baby, pregnancy, labour and birth.
Coronavirus (COVID-19)	Get NHS advice about COVID-19, including symptoms, testing, vaccination and self-isolation.

PHARMACY

If you're suffering from a cold, cuts and grazes or minor illnesses, your pharmacist will be able to give you remedies, so you don't have to see a GP or nurse.

Your local pharmacist is trained to help you with the safe use of prescription, repeat prescription and over-the-counter medicines. Pharmacies are often open until late and at weekends, and many have a quiet area where you can talk to a pharmacist in private.

SELF-REFERRAL

There are some services in Bedfordshire, Luton and Milton Keynes where you can 'self-refer', by contacting the provider directly.

THE MUSCULOSKELETAL SERVICE (MSK)

If you have joint, muscle or bone problems, such as back, hips, knees, ankles and hands, you can self-refer to the local musculoskeletal (MSK) service. They can diagnose and treat your condition with physiotherapy or may refer you to another specialist medical team.

Your GP can make a referral, or if you live in Bedfordshire or Milton Keynes you can self-refer by visiting:

Bedfordshire: **www.circlehealth.co.uk/integratedcare/msk/phio/**

Milton Keynes: **www.connecthealth.co.uk/services/milton-keynes/** or call **01908 229432**

Sandy Secondary School

COMMUNITY URGENT EYECARE SERVICES (CUES)

The service provides urgent assessment and treatment for sudden onset eye problems. The following symptoms can be treated:

- Red or painful eye or eyelids
- Recently occurring flashes and floaters
- Recent and sudden loss of vision
- Foreign body in the eye.

This service is not an eye test and is not for people with long standing or major eye conditions that are being regularly monitored by an optometrist or hospital eye service. If you're experiencing contact lens issues, you should discuss these with your optician.

The service is open **7 days a week between 8am and 8pm**.

If you need to contact CUES, call **0800 316 9200**

For more information please visit
www.blmkccg.nhs.uk/community-urgent-eyecare-service-cues/

WELLBEING SERVICE

If you are aged over 18 and are not your usual self, because you feel worried, anxious or depressed about certain issues in your life, you can contact your GP or local wellbeing service. Our local wellbeing services provide a range of free and confidential talking therapies and specialist support to help you to feel better.

Bedfordshire: **www.bedfordshirewellbeingservice.nhs.uk**
or call **01234 880400**

Luton: **www.totalwellbeingluton.org**
or call **0300 555 4152**

Milton Keynes: **www.mktalkingtherapies.nhs.uk**
or call **01908 725099**

Self-help materials including tips, guides, tools and activities are also available online: **www.nhs.uk/mental-health/self-help/**

LOCAL GP SERVICES

If you've been unwell for more than 48 hours and need medical help, you can book an appointment with a healthcare professional at your GP practice.

When you contact the GP practice, you will be asked a number of questions to help direct you to the healthcare professional best suited for your health care needs.

GP practices provide many ways you can access their services including online consultations, telephone, video and face-to-face appointments.

If you have the NHS app you can use this to access some of the services available from your GP practice.

If you need a routine appointment in the evening or weekend, your practice may be able to book an appointment for you using Extended Access Services (these are appointments outside of normal surgery hours).

MOGGERHANGER PRIMARY SCHOOL

The Moggy Messenger

A little school with big ideas

Issue No 11 Friday 13th May 2022

Sandy Secondary School

NHS111

You can call **NHS111** for help with an urgent medical problem.

You can contact the NHS111 service online at **www.111.nhs.uk** or you can call **111, 24 hours a day, 7 days a week.**

Your symptoms will be assessed and you will be provided with healthcare advice. This may include:

- Self-care
- Visiting a pharmacy
- Contacting your GP practice
- Contacting an urgent treatment or walk-in centre
- Going to A&E.

If needed, NHS111 can also send an ambulance, or where available can also book appointment times to some services.

LOCAL URGENT CARE SERVICES

If you are very unwell and have an illness or an injury that requires urgent attention, but it's **not an emergency** (an emergency is when it is life-threatening), NHS111 can make you an appointment at a local urgent treatment centre (UTC) or you can use a walk-in centre (WiC).

Bedford UTC
Bedford Hospital
(Cauldwell Centre)
Kempston Road
MK42 9DJ

Service available:
11am to 11pm
365 days a year
(Appointments available via NHS111 if clinically appropriate)

Putnoe walk-in centre
93 Queens Drive
Putnoe
Bedford
MK41 9JE

Monday to Friday
8am to 2pm

Weekends and bank holidays
8am to 5pm

Luton UTC
Town Centre GP Surgery
14-16 Chapel Street
Luton
Bedfordshire
LU1 2SE

Every day (including weekends and bank holidays)
8am to 8pm
Doors close at 6pm daily, after 6pm access is via NHS111 appointment only

Milton Keynes UCC
Milton Keynes Hospital
Standing Way
Eaglestone
Milton Keynes
MK6 5NG

Open 24 hours a day
(Appointments available via NHS111 if clinically appropriate)

MENTAL HEALTH CRISIS

If you are currently experiencing a mental health crisis or supporting someone in crisis and need urgent help, 24-hour support is available every day for adults, children or young people.

BLMK Mind Crisis Café (Adults 18+): Call **01525 722225 (5pm to 11pm, 365 days a year)**

Bedfordshire and Luton: call **111** and select **option 2**

Milton Keynes: call **111** or **0800 023 4650** for out of hours crisis support.

PREGNANCY AND MATERNITY SERVICES

Our local hospitals and community midwives provide a range of services to support you through your pregnancy and birth.

You can refer yourself directly to maternity services through the hospital website using an online form. Alternatively, you can contact a midwife through your GP practice. It is important that you contact the service as soon as you find out you're pregnant to make sure you get all the information and support you need to have a healthy pregnancy. Your first appointment with a midwife should happen before you're 10 weeks pregnant.

If you need to contact the maternity services in an emergency, please call:

Bedford Hospital triage line: **01234 795805**

Luton and Dunstable Hospital triage line: **01582 502285**

Milton Keynes University Hospital Labour ward: **01908 996471**

ADVICE FOR PARENTS

As a parent you have great instincts, please do use them.

If you feel that your child is unwell, or you are unable to care for them, seek medical help. This could be your local pharmacist, NHS111, GP, an urgent treatment centre (UTC) or A&E.

Signs relating to:

Appearance	Breathing/Chest	Hydration	Temperature	
• Normal skin, lips and tongue colour • Responding normally/still smiling • Stays awake or wakes up easily • Normal cry or strong cry • Mild pain e.g. earache, tummy ache	• Breathing normally with no wheeze • Mild cough or runny nose without affecting breathing	• Baby feeding/child drinking as normal or slightly reduced • Sick, but drinking and keeping most fluids down • Diarrhoea for less than 2 days • Passing urine, normal colour or slightly darker than usual	• Mild temperature raised up to 38°C (101° F) but controlled if paracetamol is given. Seek advice if temperature continues for 3-5 days	**GREEN - CARE AT HOME** • Your local pharmacist or NHS111 can give advice • Check www.nhs.uk • Consider paracetamol • Encourage rest and drinks, even if only in small amounts
• Child becoming worse/parents more concerned • Less activity/more sleepy than usual • Change in normal behaviour/ not acting in usual manner • Irritable/no smile • Pain e.g. persistent severe earache, severe tummy ache - seek advice • Mild/moderate allergic reaction - seek advice	• Noisy breathing/ wheezy/fast breathing/ nasal 'flaring'	• Drinking less than half of usual amounts/vomiting most feeds • Less wet nappies than usual/less urine or darker concentrated urine • For babies under 1 year - sick more than 3 times in 24 hours, diarrhoea 6 times in 24 hours • For children 1 and over - diarrhoea for longer than 2 days	• Over 3 months - temperature over 39°C (102° F) • Persistent temperature for more than 3-5 days or not controlled by paracetamol - seek advice	**AMBER - GP/NHS111** • Phone your GP for advice and decision - this may be by telephone/video or face to face • Call GP/NHS111 if concerned • If worried, always seek advice
• Collapse/unresponsive • Hard to wake/floppy or listless • Mottled blue or ashen skin • Fitting (seizure) without a temperature • Severe allergic reaction/ anaphylaxis • Rash that does NOT disappear under pressure (glass test) • Neck stiffness • High pitched, weak or continuous cry • Bile stained sick (green) • Bulging fontanelle (soft spot)	• Severe difficulty in breathing • Grunting/very fast breathing/ sucking in and out between ribs • Breathless - unable to talk in sentences	• Sunken fontanelle (soft spot) • Very little urine/dry nappies	• 0-3 months - temperature over 38°C (101° F) • Over 3 months - temperature over 39°C (102° F) and/or cold hands or feet • Any child with a temperature below 36°C (97° F) • Any child with a high temperature and fitting (seizure)	**RED - URGENT HELP REQUIRED** • Take your child to your nearest A&E department • CALL 999 FOR BREATHING DIFFICULTIES OR A NON-BLANCHING RASH (rash that does not fade and lose colour under pressure - glass test)/COLLAPSE

EMERGENCY SERVICES – AMBULANCE AND A&E

Emergency services should only be used for life-threatening illnesses or accidents which require immediate, intensive treatment.

In an emergency you should ring the ambulance service (**via 999**) or go to the hospital's Accident and Emergency (A&E) department.

If it's not life-threatening or an emergency, please use the other options available to you.

Vaccines are the most effective way to prevent infectious diseases. Having a vaccination is the most important thing you can do to protect yourself and your family against ill health.

Term 1 - 73 days **Term 2 –** 59 days **Term 3** - 63 days **= 195 days**

Pupil contact will amount to 190 of the 195 days. Schools will be closed on five of the 195 days. These five days will enable teacher training to take place in accordance with Teachers' Conditions of Service.

Training days set as follows: Wednesday 1st - Friday 3rd September 2021 **(3 days)**, Friday 26th November 2021 **(1 day)**, Friday 22nd July 2022 **(1 day)**.

The law requires that a parent ensures that their child receives a full and efficient education. If you enrol your child at a school, then you must ensure that they attend regularly. Regular school attendance is defined as being in accordance with the rules prescribed by the school and means that is the school is open for 190 days, then this is what your child is expected to attend. We know that excellent school attendance has a positive effect on pupil outcomes.
