## Message from our Executive Principal

Dear Parent/Guardian

We would like to wish you and your family a Happy New Year and a warm welcome back to the Spring term.

I am sorry that my first part of the newsletter is about **Covid-19**, but I wanted to ensure you are all fully updated with the new legislation the school has to follow, due to the **changes** in the **self-isolation period**, as well as what would happen if too many members of staff are off ill with the virus.

I am sure you are all aware that self-isolation has also changed, as follows, from **Monday 17<sup>th</sup> January**:

- Staff and students who **test positive** for Covid-19 will now only need to **self isolate** for **5 days**.
- If they then test **negative** on an LFD test on **day 5** and **6**, they can **return** to **school** or work, as long as they have no further symptoms.
- If they **continue** to have **symptoms**, they need to complete self-isolation for the **full 10 days**.
- Anyone who is double-vaccinated and is in close proximity of a positive case, no longer has to self isolate. You are, however, advised to do LFT tests on days 1, 4 and 7.
- As of **Tuesday 11<sup>th</sup> January 2022**, if you have **no** Covid-19 symptoms and you test positive on an LFD then no PCR test is required to confirm that you have Covid-19. You must still self-isolate, however, using the guidance above.

All our **staff** and **children** have been **brilliant** at adapting to the **changes** regarding Covid-19. We are having to learn to live with this virus and we, as a school, are committed to **remaining open** as much as we can. We really do not want to have to shut classes, due to staffing issues, but this may have to happen if we have too many staff fall ill due to the virus.

Unfortunately, there is a national shortage of supply teachers so closing classes will be a last resort and we are keeping our fingers crossed this will not be needed.

At present, we are **operating** as **normal**, with all our **Covid-19 safety measures** in place. This seems to be working as the number of cases across the school remains extremely low. However, we would ask for your support in that if your son/daughter shows any **symptoms** of the virus, you **keep them** at **home** and that you test them as soon as you can.

Further in this this newsletter we have included some information from the NHS and Public Health to support us all over the coming weeks.

### SATS

Unfortunately, we still do not have any information from the DfE as to whether SATs will take place later this year, so we will **plan** for these **still** to **go ahead**. **Miss Hinson** will continue to work with all children in **Year 6** to ensure they are **fully prepared** for these tests.

We also have to make an assumption that the **Year 1 Phonics Assessments**, as well as the **Year 2**

**Assessments** on **Reading, Writing** and **Maths** will **continue**, along with the **Year 4 Timetables Assessments**.

We will **share** more **information** with you as we are issued with it, as well as **providing** you with **information** on how you can **best support** your child through this time.

We are pleased to welcome **4 new trainee teachers** to the school. They will be undertaking a **placement** with us over this term and will be **supporting** our **staff** in the delivering of our **curriculum** and **monitoring** and reviewing the **learning** and **progress** of the children. We are committed to **working in partnership** with the local training providers to **support new teachers** into the profession.

It has been so lovely going around the school and talking with children. They are all **happy** to be back and are **really engaging** in their **learning**.

We sometimes forget how resilient children are and how they adapt to situations quicker than us. I am also really pleased at how **caring** and **considerate** they are towards **each other**, and this is shown in the way they are around the school. They should be really **proud** of themselves, as we are of them.

I would like to take this opportunity to **thank you** for your **continued support**. This is not an easy time, but please be assured we will always have your child's health and happiness at the centre of everything we do.

Have a good weekend.

Miss K Hayward  
Executive Principal

## Message from our Deputy Headteacher

I hope you all had a **wonderful Christmas break** and I would like to wish you all a very **happy New Year**. We have had lots of new children joining us in different classes this term, so I would also like to **welcome** all of our new **children** and **families** to Moggerhanger Primary School.

We have returned to school with some brand new and **exciting topics** for the children and I have already seen some brilliant work and lessons in our first few weeks back. We have lots of exciting enrichment opportunities coming up, including some **visitors** coming into school and **trips** for all year groups.

We have also **welcomed** four new trainee teachers across the school: **Miss Lawie** in Early Years, **Miss Hill** in Woodpeckers, **Miss Lenartowicz** in Owls and **Mr Swindell** in Kites Class. They are currently **supporting lessons** and will gradually build up to teaching lessons under the full guidance of their mentors and class teachers. We work very closely with the **University of Bedfordshire** and it is a partnership that we are very proud of. We enjoy mentoring and supporting trainees on their journey to becoming teachers and we believe that the trainee teachers also add greatly to the life of the school.

We have lots of **extra-curricular activities** to look forward to this half term, including **Basketball Club**, **Eco-Club** and, with the hopes of slightly milder days in February and March, we will be starting a **Gardening Club**, so please look out for more information about this. If there are any clubs you would like us to consider running, please do get in touch with **your suggestions**, as we would like to offer as much variety as possible. The new **Moggies** booking system on ParentMail is going very well, with parents/guardians now able to book their sessions and pay instantly online, rather than waiting to be invoiced. This can be found on the **ParentMail app** under the '**Accounts**' tab on the menu.

Kind regards  
Mrs L Robbins

## Chicks Class

We have really enjoyed welcoming the children back from the Christmas break and hearing all about what they did in the Christmas holidays.

We have started the term by celebrating the new year and learning about how we celebrate and what it means.

The children watched a fireworks display which took place in London and they were amazed by the sounds, colours and patterns. They loved dancing to *Auld Lang Syne*, made their own sparklers and decorated the letters 2022.

Let's hope we all have a very happy healthy new year full of lots of fun!

## Kites Class

This half term, Kites Class are learning about The First World War. In our History lesson this week, we learned about what life was like on the Western Front and some of the **tools** the soldiers may have used in the trenches.

We combined this with our Science lesson (where we are learning about light and reflection) and we made some **periscopes** which have mirrors inside and act in a similar way to the ones soldiers might have used to look out of the trenches into no-man's land.
