

MOGGY MESSENGER

Issue 12 23/6/23

A Little School, with Big Ideas!

Head of School's Blog

What a fantastic start we have had to this new half-term. The weather has been wonderful (dare I say it, a bit too hot for some of us!) and the children have been excited and motivated to return to their learning. I am delighted to see how well the pupils have taken their new routine in their stride and even more delighted to notice the positive impact this is already having on our day-to-day engagement in learning. The children are starting their day calmly and ready for their learning experiences, as well as having greater opportunities to develop their reading fluency. This is bound to have a real positive impact on learning overall. Thank you for supporting your children through this change, it really is making a difference.

This week I have had the opportunity to invite some of our Governors into school to share a number of aspects of our day, including our phonics provision, science curriculum updates, progress in our positive behaviour strategies and review of our attendance. Governors play a very vital role in the strategic development of a school, so having opportunities for them to see first-hand, the progress and developments we are making, is very useful. It also allows more effective monitoring and triangulation of feedback to continue helping our school to flourish in the right direction. I was so pleased to hear the feedback around the positive developments in pupil's attitudes to learning and the clear engagement in focused activities that was noticed throughout the visit. The role of a Governor is a voluntary role, so I want to take a moment to thank the Governors who attended.

Finding time to volunteer in such an important role is never easy, but it makes such a difference to our school and community. Thank you **Mrs Dawson** and **Mrs Stone** for supporting us.

As we approach the end of the school year we have a number of exciting activities and events to invite you to. Our **Sports Day** is set to be a fantastic event for all of our pupils and it would be wonderful to see as many of you attend as possible during the afternoon.

We also have an exciting end of year school celebration planned for **Wednesday 19th July**. Again, parents/guardians will be invited to join us for this celebration as well as have an opportunity to say goodbye and good luck to all of our amazing Year 6 pupils as they set off on their new journey to secondary school. Both of these events are planned for the afternoon in the hope that this makes it easier for parents/guardians to be able to attend. Feedback on this would be greatly appreciated, you can do this by using the link to our comments and compliments slip within this Messenger.

We have also been very busy finalising the plans for the reorganisation of our classes from September, with communications sent to all families at the start of the week, prior to our transition day on 22nd June. Keep enjoying the wonderful weather and remember the sun cream!

Mr C Macinnes
Head of School

Key Dates

Monday 12th June	Phonics Screening Week
Thursday 22nd June	Transition day- Sandy Secondary School for Year 6 pupils
Monday 26th June	Whole School Sports Day (1-3pm)
Thursday 29th June	Back-up Sports Day (Weather depending)
Monday 3rd July - Wednesday 5th July	Frontier Residential trip for Years 3- 6
Wednesday 19th July	Whole school end of year Picnic celebration (1-3pm)
Thursday 20th July	End of term

01767 640207 – www.moggerhangerprimary.co.uk

Executive Principal's Message

Dear Parent/Guardian

It has been lovely to spend quite a lot of time at Moggerhanger Primary School over the last few weeks and reconnecting with all the children. It has been especially good to be using our amazing outdoor space, given the glorious weather.

Over the summer the playground will be resurfaced and the pirate ship will be repositioned so the children will be able to use it again after the holidays. We are also looking at a new trim trail, thanks the generous donation and hard work of FOMPS. We cannot thank them enough for all they do for the school, as well as you, our parents/guardians for your support. Without these generous donations, we would not be able to do all the things we want, to enrich the experiences of our children.

I would also like to thank the amazing team here at Moggerhanger, who always go above and beyond to ensure the children get the care and support they need.

THANK YOU!

Both Moggerhanger and Sandy Secondary School hosted their transition days on Thursday 22nd June and all the children had a wonderful meeting their new teachers and seeing their new class, if they are moving schools. Children in Year 6 went up to Sandy and I was so proud of them - they looked so grown up and confident. They were all amazing and it has been so wonderful to have the opportunity to see them develop through Moggerhanger and now I also see them progress further at Sandy.

We are now fully staffed for September and we have opened our new Year5/6 classroom, which Miss Clarke will be teaching from Monday 26th June.

Please remember it is Sports Afternoon on Monday 26th June. Details of the afternoon will be issued to all parents/guardians once they have been finalised.

I would like to thank **Mrs Robbins** for hosting the residential information event, as the three days that children in Years 3 to 6 are away is fast approaching and I know how much the children love this time away, having adventures and working with staff.

Please can I just remind you all with the extremely hot weather upon us, it is essential the children have sun cream applied to them before they come to school and that they have a suitable sun hat and water bottle. It is great to be outside, but we want everyone safe and protected.

Have a lovely weekend and thank you for your continued support.

Kind regards
Miss K Hayward
Executive Principal

CLASS NEWS

Chicks

We have had a very busy start to the term for Chicks class. We returned from the half term break to find that our butterflies had emerged from their cocoons and we had lots of fun watching their wings start to flap. We got to release them in forest school, which was really exciting and it has been great watching and learning about the life cycle of a caterpillar. Chicks have enjoyed taking some risks in their play this week after we introduced a step ladder to build towers that could be bigger than the children. The children felt very important and grown up and were so excited and eager to play, but first learnt how to be safe and feel safe in their play. The children soon became knowledgeable about taking safe, controlled risks and had fun building and counting the towers to see whose was the tallest, but we think Mrs Ziccardi had an unfair advantage!

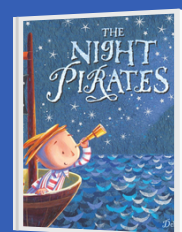

'The Robin's have started their new topic called A Pirate's Life this half term! They have read the book *The Night Pirates* this week, which has supported our literacy learning on repetition and similes! The children have really impressed me with their enthusiasm to use repetition in their writing!'

This week the children released their butterflies! They have worked hard learning all about the butterfly life cycle and how to care for them. We went down to forest school and spoke about how our butterflies had changed from the caterpillars we started with and then we worked one by one to release the butterflies from their exhibit! The children got very close to the butterflies and enjoyed seeing all their detail!

Robins

CLASS NEWS

Woodpeckers

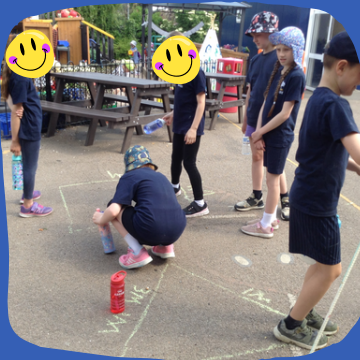

The Woodpeckers have all been working so hard over the last few weeks. In English we have written postcards from a faraway jungle island. In Computing, we started our programming unit, and have been designing mazes and using directional language to guide our characters through the maze.

The Owls have enjoyed a sunny start to Summer Term 2! We have made the most of the weather by holding some of our lessons outside, including a practical Maths lesson learning about perimeter and area! In English we have started reading *The Hodgeheg* by Dick King-Smith, to complement our previous text *The Sheep-Pig*. It is lovely to see the children so engaged in their learning.

Owls

Kites

In the last few weeks Kites have been reading *The Red Tree* by Shaun Tan and have written some brilliant letters and descriptions about what we have read. I have been incredibly impressed with the children's maps that they have drawn of Moggerhanger and where they have created their own Ordnance Survey style symbols to represent local places of interest.

General Notices

ATTENDANCE PROTOCOL

- Please report your son/daughter's attendance **every day** if they are unwell or have an appointment.

You can call the school office on **01767 640270** and leave a message or email us at **office@moggerhangerprimary.co.uk**

- If we do not hear from you, it will be marked as an unauthorised absence.
- If you are going on holiday during term time, a school holiday form will need to be filled out and returned to the office.
- Please inform us of any medical appointments that are during the school day.
- If your child(ren) has diarrhoea and/or sickness we require 48 hours from the last time they were ill, before they can return to school.

Thank you.

We are a **NUT FREE** school!

Please ensure all the products you send in for your son/daughter for snack or lunch, do not contain any kind of nut and, if possible, no sesame seeds either, please.

It's Summer Time! Please ensure your children come to school with weather appropriate uniform, as well as a sun hat and sun screen (*which they can apply themselves*). Please also ensure these are clearly labelled with your child's name.

If your child would like to learn to sing or play a musical instrument, one place to start is with Central

Bedfordshire's Inspiring Music Centres.

Please go to

www.inspiringmusic.co.uk/lessons-schools/overview to see all they have to offer.

Please can we remind parents/guardians that children should not be bringing digital watches, or any type of digital device that has a camera function on it, into school.

Thank you

Collection and Drop off

Collection and drop off times can be very busy periods. We hugely appreciate your support in ensuring we can keep your children safe by collecting from the gate.

Each day children line up in their classes at dismissal time. To make it easier for our teachers to dismiss pupils, please do stand near to the side gate entrance. Now that we are out of COVID restrictions there is no need to queue up. It is much easier for us to see you and send your child to you if you are standing in the space in front of the shelter area. Thank you!

House Captains' Update

Our House Captains have worked hard over the last term organising our most recent house competition.

The children planned a lesson which was delivered during forest school, which included:

- getting the children to consider the existing biodiversity in their environment
- consider the adaptations of those species in environments and how they can improve the habitats to attract more wildlife.
- discussing what adaptations they have to support them.

In teams, the children then designed their own 'critter'.

It was so lovely to see the children working together in house teams, motivating and encouraging each other and delegating tasks to different team members.

Winners will be announced in our assembly next week.

Mrs Hiller
House Captains Lead

Thank you Freya, for your hard work on the poster!

Let's celebrate!

ACHIEVEMENTS AT HOME

Has your child won any awards recently? Or done anything for our local community? Please let us know so we can celebrate them here!!

Please email the school office with any achievements and photos of your child(ren) you would like to appear in our Moggy Messenger!

Class Dojo Awards

Wow! Can you believe it! Some children are starting to earn their first Golden Tickets already!

Children earn a Golden Ticket after receiving 100 Dojos, a great achievement and recognition of their wonderful behaviours in learning and day to day actions.

What is a Golden Ticket?

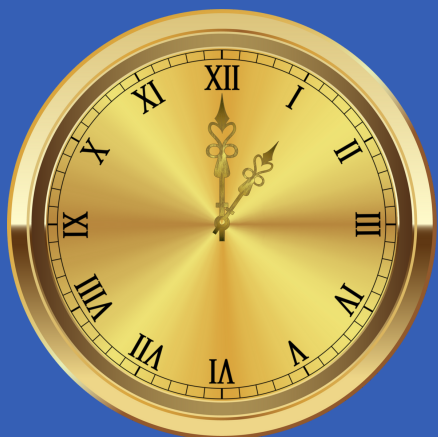

Each golden ticket is earned when pupils reach 100 Dojos, and every integer of 100 following. This may take a little while to earn, but will definitely be worth it!

Children can earn their Golden Ticket to use for a range of individual Golden Times - see some of our suggestions below;

What is Golden Time?

Similar to a Golden Ticket, Golden Time is a reward earned at a particular interval for pupils. This time though, we focus on whole class rewards. When a class reach 1000 Dojos, they have collectively earned Golden Time. Using their value of democracy, pupils vote together with their teacher on how to 'spend' their Golden Time as a class. Suggestions for Golden Tickets above can be used as a class reward, but this list is not endless and all children are encouraged to think of their own ideas for rewards. If these are within reason, then it is likely we will make it happen.

Class Dojo Awards

HOW MANY DOJO'S
CAN YOU EARN
TODAY?

Using our Values, rules and routines, we have created a school-wide consistent Dojo system.

Please use this poster at home to help your child to remember what they will be rewarded for in school.

 2 Being Safe	 2 Being Ready	 2 Being Respectful	 3 Inspiration

Online Safety

Online Gaming

Online games are social activities, and most have features that allow young people to chat with others while they play.

For information about the positives of gaming, the risks of 'in-game chat' and measures you can take to help protect them, watch this short video: [in-game chat: a guide for parents and guardians](#).

The PEGI (Pan European Game Information) rating system can be a useful tool to help you decide what online games are appropriate for your child.

For more information on the PEGI system and other factors to consider before deciding what's suitable, read [Gaming: what's appropriate for your child](#)

Gaming is popular with both children and adults and can help to cure that lockdown boredom. If your child is gaming, you may have some questions about how to keep them safer. If so, check out - [gaming: what parents need to know](#).

For a guide on the apps, sites and games your child might enjoy, visit: [Net Aware](#).

Social Media

You may be wondering when would be the best age to let your child have a social media account, or you may have some concerns, if they're already using them. For advice and guidance, read [Is your child ready for social media?](#)

Remember, most social media services require users to be at least 13 years of age before they can register.

Most young people have positive experiences socialising online, but it can be easy for young people to share things or post things they wish they hadn't.

The simplest way to have information about your child removed from a website, or app is to contact the site itself. Read [reporting to social media sites](#) for more information.

Social media can offer young people opportunities to express themselves and have fun, but they could be exposed to harmful content which might include sexual images or videos which could impact on their understanding of sex and relationships.

For information, read [Teens and the sexual content on social media](#).

More Information?

ThinkUKnow is the education programme from the National Crime Agency's Child Protection Command CEOP (NCA-CEOP). Their aim is to protect children and young people from sexual abuse online.

For more information, advice and guidance, visit their [parents website](#) and download their [home activity worksheets](#) for fun, online safety activities to do with your family.

National Thank a Teacher Day

Wednesday 21st June

This week we were able to celebrate National Thank a Teacher Day! And how incredible for us, one of our very own teachers has been nominated for, and received special recognition, for her incredible work as an inspirational Class Teacher!

Well done Miss Hinson! Miss Hinson received a special certificate of excellence and written letter from Sir Michael Morpurgo himself.

We are very proud of all of our teachers and staff here at Moggerhanger, and know lots of you are too. If ever you wish to nominate a teacher for such an award you can do so through visiting the [Thank A Teacher UK website](https://www.thankateacher.co.uk).

*Thank you for
going above
& beyond.*

NATIONAL THANK A TEACHER DAY COMPETITIONS

Thank a Teacher have launched a round of competitions for 2023, where you can win special prizes and receive celebrity shout outs, featuring the likes of Nadiya Hussain and Sir Michael Morpurgo! Just send your entry to competitions@teachingawards.com for the chance to win £50 in vouchers.

Competitions are open to students under the age of 18. Please include your name, age and school in your entry. Good luck!

Term 1 - 72 days

Term 2 - 59 days

Term 3 - 64 days = 195 days

Pupil contact will amount to 190 of the 195 days. Schools will be closed on five of the 195 days. These five days will enable teacher training to take place in accordance with Teachers' Conditions of Service.

Training days set as follows: Thursday 1st September and Friday 2nd September 2023 (2 days), Friday 2nd December (1 day), Tuesday 3rd January 2023 (1 day) and Friday 21st July 2023 (1 day).

The law requires that a parent ensures that their child receives a full and efficient education. If you enrol your child at a school, then you must ensure that they attend regularly. Regular school attendance is defined as being 'in accordance with the rules prescribed by the school' and means that if the school is open for 190 days, then this is what your child is expected to attend.

Term 1 - 70 days

Term 2 - 57 days

Term 3 - 63 days = 190 days

Student contact will amount to 190 days. There are an additional 5 days for teacher training to take place in accordance with Teachers' Conditions of Service. Schools can decide when these take place. Training days: Friday 1st and Monday 4th September 2023 (2 days), Friday 1st December 2023, Thursday 18th and Friday 19th July 2024.
