www.moggerhangerprimary.co.uk

Welcome

We are very excited to now be in a position to formally launch our new Moggerhanger Primary School website. Over the last couple of months, we have been hard at work ensuring that the School has a revamped website that is both informative and accessible to parents and guardians (and prospective pupils), providing a comprehensive overview of our aims and values as a school, and containing useful information and resources to help support your child.

We are passionate about our School and the fantastic work that is produced by our pupils. We also believe in the importance of communication and are constantly seeking new ways to enhance our presence in the local community. We very much hope that our new website will allow us to celebrate our achievements and further cement our place in the local community, as well as providing you with up-to-date and relevant information to help support your child during their time with us.

We hope that you will find the information contained within the website useful and we will continue to update and adapt the content to ensure that it remains relevant. We have worked hard to try and ensure that the website is easy to navigate, but this booklet is designed to help draw your attention to some of the key aspects of it.

Should you have any suggestions or comments on the content or layout of the website, then please do not hesitate to contact us.

In particular, there are a number of links to useful websites with information about online safety.

Our 'Report Absence' facility allows you to inform the school office if your child is absent from the school.

Please could we ask that you explain the reason for the absence, and we also ask that you contact the School each day that your child is absent.

Parent Pay:

In an attempt to remove all cash and cheques from school we are asking all parents/guardians to only use our e-payment method, of ParentPay, to pay for dinner money, trips, activities, etc.

This can be done online using ParentPay. A link to the website is included in the 'Parent Portal' under the Parent tab.
