11th May 2020

Dear Parent/Guardian

Media Speculation

You may be aware that there is a lot of speculation circulating in the media at present, following the Prime Minister's announcement yesterday about reducing lockdown measures and children and young people returning to school.

We recognise that this has been a challenging time for children/young people and their families and we are greatly looking forward to us all returning to school when this can happen safely.

Our two schools, Moggerhanger Primary and Sandy Secondary, will be following government guidance, as it is released, to enable this. Should any announcement be made, there is likely to be significant decision making and planning at a local level and both schools will be working as quickly as possible to make the necessary arrangements and to ensure compliance. To support the schools in enabling this work, please try not to contact the schools **about re-opening arrangements**, unless it is an urgent matter.

Please be assured that, should there be any announcement, we will communicate with you as soon as we can, about when and how we will be returning to school, as your child's safety and wellbeing is our top priority.

Yours faithfully

A handwritten signature in black ink, which appears to read "K Hayward", is positioned below the "Yours faithfully" text.

Miss K Hayward
Executive Principal
