Dear Parent/Guardian

Poppy Collection – Raising Money for the British Legion

We know this is a very unusual situation we find ourselves in and unfortunately, we cannot always operate in the same way as we would normally. This is especially the case with the selling of poppies and items associated with poppies for the Royal British Legion. The Royal British Legion do a fantastic job supporting servicemen and women, now and in the past, as well as their families. They really do need all the funding they can get, in order to continue to deliver this vital service.

Normally, we would get our children in Years 5 and 6 to sell poppies on the school gate and go around the classes but we cannot do this, this year, due to the bubbles. Therefore, as of Friday, I will be selling poppies. If you would like your child to buy a poppy or any other item we have on offer, please could you put money in an envelope, with your child's name on. I will then go to their classroom or see them on the gate and get them to choose what they want and hand it over to them, to minimise contact and reduce the risk of any virus being spread across the school.

I am sorry for all these changes, but we have to ensure we keep the children and staff as safe as possible during this period.

Thank you for your continued support.

Yours faithfully

Miss K Hayward
Executive Principal
