24th June 2020

Dear Parent/Guardian

Readmission to Moggerhanger Primary School

Please be aware that we will not be taking in any further children for the remaining summer term after Wednesday 10th July, this is to allow us to start to close down the school for the Summer holidays, as we do not intend to open for this period of time.

I am very sorry we have not been able to have all children back into school over this very unusual time, due to the restrictions imposed on us by the Government, to keep everyone safe from Covid-19, due to limited class size and physical space in school.

Over the weekend, the Government announced that they hope for all students to be back in school in September, but at present we do not know what that will look like. We very much hope we can have all our students back as quickly as possible, in September, as we are aware that some will have been out of school for nearly six months, which is a huge amount of time to be away from school.

We know that many students have been completing the work set online, but this is not a perfect substitute for not being in the classroom and learning with the teacher and friends. School is also a lot more than just academic learning, it is about becoming a valued member of the community and developing key skills, like communication, team work and developing knowledge to make informed decisions about everyday life through social interaction and SMSC sessions. As much as online learning is beneficial, it does not make up for the human interaction at school. Therefore, we are really looking forward to having the students back, as soon as we are allowed to.

Given the Government's announcement over the weekend, we are optimistic that all children will be returning in September, however, at this moment in time do not know what that looks like, until further guidance is given to us before the end of the term. We very much hope that we will be able to have all pupils back on Monday 7th September at 8.50am. We will be sending our more information about arrangements for September in the coming weeks.

I would like to thank you again for your support and understanding at this time.

Yours sincerely

Miss K Hayward
Executive Principal
