Level 2 Letter Formation

Start from the green arrow and finish on the red dot to help practise forming the letters correctly. You can laminate this sheet and use a dry wipe pen to use it again and again.

Initial Sounds I Spy

Choose a picture on the card and say 'I spy with my little eye something beginning with...' (the initial letter of the word that you have chosen). Let your child explore the different pictures on the card until they guess the correct picture that starts with that letter. Ideas for Activities:

- Practise letter recognition by saying the phoneme and then turning over the card to check if it is correct.
- Copy the graphemes to practise letter formation.
- Put the cards together to spell out words.
- Bury the words in sand and let children find and dig them out.
